Mission.

- To impart high quality education
- To produce devoted, expert teachers, Teacher Educators
- To imbibe social, national and personal values
- To develop expertise in handling latest technological equipments

Key Activities.

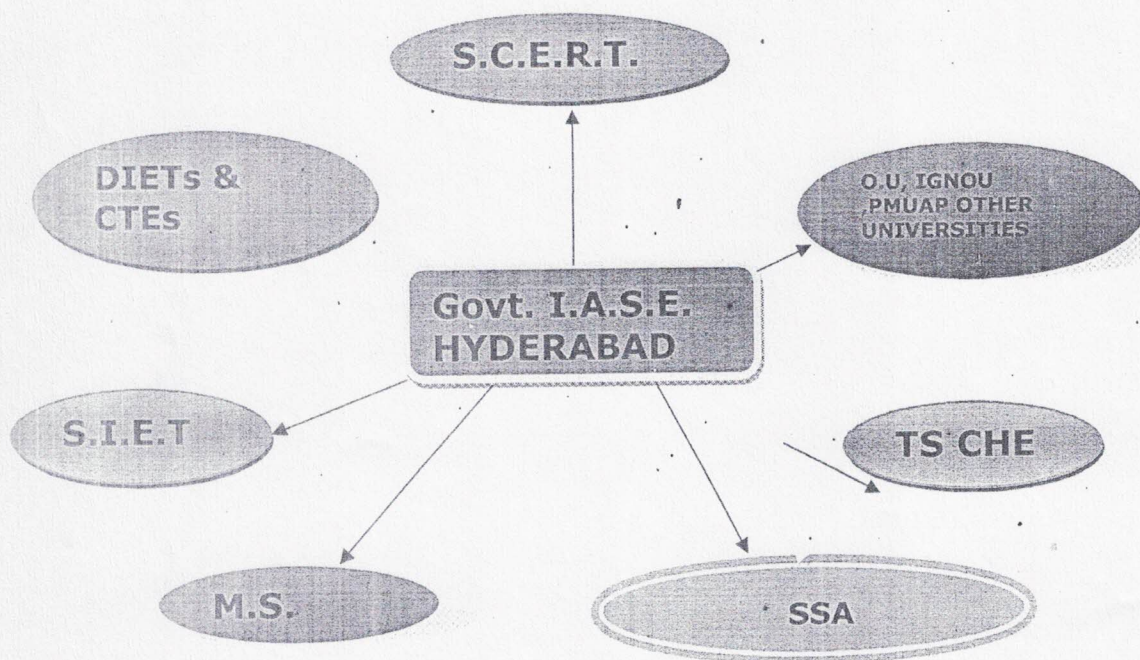

Material Development

The Faculty of IASE render their service in Material development such as Text Books of school subjects, D.Ed/ B.Ed course . They take part in preparation of Modules, Hand book, Brochures etc.on issues related to teachers and Teacher Educators.

Linkages:

Government IASE, Hyderabad has been offering expertise services to the various organizations. It is a crucial link between Higher Education & SCERT, CTE / DIETs and Teacher Educators. The Linkage of the institution with other departments /Institution is given below

The funds from Central and State Government are released for the various components under recurring and non recurring to run the Institution.

Achievements.

The I.A.S.E. is proud of the achievements of the Pre-service trainees of M.Ed., B.Ed., and language pandit students as results in the pre-service courses are excellent and Gold Medals have been secured by the students not only in academic but also in co-curricular activities. Most of the students are well placed in the education and other departments and are doing a good service in their respective areas.

The staff have been involved in material production training (Pre-Service & In-Service) research, extension services. Evaluation, Guidance & Counseling which has been well received and fruitful for releasing the objectives of the I.A.S.E.
