Minutes of 4<sup>th</sup> meeting of Teacher Education Appraisal Board (TEAB) held on 27<sup>th</sup> February, at 1000 hours in Conference Room, Shastri Bhavan, New Delhi to discuss the proposals received from various States for implementation of TE scheme for the financial year 2015-16.

.....

The 4<sup>th</sup> meeting of Teacher Education Appraisal Board (TEAB) under the Chairmanship of Secretary (SE&L) was held on 27<sup>th</sup> February, 2015, at 1000 hours in Conference Room, Shastri Bhavan, New Delhi through video conferencing under the Chairmanship of Secretary (SE&L), to discuss the proposals received from the States of Manipur, Goa, Tripura, Mizoram and Sikkim for implementation of TE scheme for the financial year 2015-16. The list of participants is annexed.

2. Secretary (SE&L), welcomed the participants, and highlighted the following three points to be kept in view by the State Governments/UTs:

- It has been noticed that there are large number of vacancies in DIETs. Keeping in view the academic leadership role of DIET and also its role as a conductor of pre-service training programme; academic guidance to BRCs and DRCs; the State Governments, keeping in view the new role of DIET, should make a thorough review of the faculty requirement in DIETs. The State Governments, after this review, should inform the Central Government of the actual requirements of academic staff.
- States should use their TEIs i.e., CTEs and IASEs for all the secondary school teachers training under Rashtriya Madhyamik Shiksha Abhiyan (RMSA).
- State Governments should inform the Universities about the revised Norms and Standards for Teacher Education Programms, which require at least 20 weeks of teaching in schools; the revised norms and standards of D.El.Ed. and B.El.Ed. B.Ed. etc. will require revision of the curriculum, syllabus etc. by the universities. Besides, the affiliating universities will now be required to give an NOC at the time of application of TEIs to NCTE for recognition of new TEIs/TEPs.

3. The Annual Work Plans of the States was taken up State-wise.

(172)

Rs.267.17 lakhs. This is in addition to committed liability of central share of Rs.827.57 lakhs to be released in 2015-16.

6.7. The component-wise approval of funds to be released in 2015-16 can be seen at Annexure III.

6.8. The release of Central share funds in 2015-16 would be as per funding pattern of the TE scheme in 2015-16.

✓ 7. **Mizoram**

7.1. DS(TE), MHRD apprised TEAB that for 2012-13 the utilization certificate of 1<sup>st</sup> installment released for civil works was received only on 25<sup>th</sup> February, 2014, and proposal for release of 2<sup>nd</sup> installment for civil works of Rs.1049.11 lakhs is under process. For 2013-14, there was no committed liability.

7.2. For 2014-15, the 1<sup>st</sup> installment of Rs.820.09 lakhs for salary and programmes and activities component is under process for release. The 2<sup>nd</sup> installment of Rs.820.09 lakhs for salary and programmes and activities component would be released once the state submits utilization certificate of 1<sup>st</sup> installment and confirmation that the State has released its State share and utilized the same. Hence the total committed liability is Rs.1869.20 lakhs, which would need to be released in 2015-16.

7.3. With regards to Annual Work Plan proposal for 2015-16, the TEAB was apprised of the following points:-

- || • State is entitled for establishment of 8 BITEs but no proposal has been received.
- Re-organization of SCERT is yet to be done.
- 53.33% of academic posts in SCERT and 46.15% of academic posts in IASEs are vacant.
- Status of civil works for construction of hostel buildings of 6 upgraded DIETs and 3 existing DIETs and strengthening of physical infrastructure at SCERT has not been given.

173

7.4 After the presentation, Education Secretary, Govt. of Mizoram clarified that the civil works would be completed by December 2015.

7.5 As regards the request of the Education Secretary for financial assistance for 'contingency' component, the Chairman TEAB advised the State to manage this requirement from the funds that becomes available for training of in-service teachers under RMSA and SSA schemes.

7.6 On the above basis, out of the Rs.5136.25 lakhs proposed as per the Annual Work Plan submitted by the State, the Appraisal Team has appraised a sum of Rs.2860.02 lakhs. This is in addition to committed liability of central share of Rs.1869.20 lakhs to be released in 2015-16.

7.7 The component-wise approval of funds to be released in 2015-16 can be seen at Annexure IV.

7.8 The release of Central share funds in 2015-16 would be as per funding pattern of the TE scheme in 2015-16.

## 8. Sikkim

8.1 Education Secretary, Govt. of Sikkim, made a presentation, highlights of which are as under:

- Proposal for establishment of a new BITE in North Sikkim and for 2 new DIETs would be submitted subsequently.
- SCERT is at present working from the DIET building located at Gangkok and the State is seeking financial assistance of Rs.18 crores for constructing of a new building for SCERT, which will be adjacent to existing DIET. A proposal in this connection was also submitted.
- Financial assistance for 'Contingency' was sought.
- Financial assistance for 'technology support to DIETs' was also sought on the analogy that the existing EDUSAT is not able to meet the requirements of

31.10.15

(17u)

connectivity between DIETs and SCERT due to limited functional capacity of EDUSAT.

8.2 After the presentation, DS(TE) apprised TEAB that there is no committed liability for 2012-13, 2013-14 and 2014-15.

8.3 With regards to Annual Work Plan proposal for 2015-16, the TEAB was apprised of the following points:-

- State is entitled for establishment of 1 BITE in North Sikkim but no proposal has been received.
- Financial assistance for salary component in respect of posts filled after restructuring of SCERT has been given.
- No financial assistance was recommended for technology support to DIETs as State Govt. had EDUSAT facility.
- The proposal of financial assistance for new building for SCERT appears to be on very high side and the State Govt. needs to prune the proposal.
- The State Govt. was advised for submitting a revised proposal for building of SCERT taking into consideration the actual requirements after ascertaining the existing halls and capacity available in the existing DIETs. The State Govt. should also keep in view that the SCERT's role is to provide inputs to the government for bringing about improvements in quality; design of textbooks; modules and doing supervisory work.

8.4 After the appraisal, TEAB had taken the following decisions:

- Keeping in view the genuine requirement of technology support, a sum of Rs.2 lakhs as financial assistance for technology support for DIET at Gangkok was approved.
- Financial assistance of Rs.3 lakhs for 'contingency' component was approved.

8.5 On the above basis, out of the Rs.2589.33 lakhs proposed as per the Annual Work Plan submitted by the State, the Appraisal Team has appraised a sum of Rs.508.32 lakhs.

12.5

8.6 The component-wise approval of funds to be released in 2015-16 can be seen at Annexure V.

8.7 The release of Central share funds in 2015-16 would be as per funding pattern of the TE scheme in 2015-16.

9. The meeting ended with a Vote of Thanks to the Chair.
