19. Classroom observation. Please sit in and observe the transaction in a class and note the following. Is the teaching learning process interactive? What kinds of questions are asked by teachers and by the student-teachers? Do student teachers seem to be involved? Does the teacher seem to be prepared?

No classes were on going as there were exams.

Teachers/lecturers and P(T/N) are all frustrated due to neglect. All are upset. No funds. Lots of students and only 3 teachers.
