9. Classroom observation. Please sit in and observe the transaction in a class and note the following. Is the teaching learning process interactive? What kinds of questions are asked by teachers and by the student-teachers? Do student teachers seem to be involved? Does the teacher seem to be prepared?

class - IInd yr. — Lecturer Dr. Chanchal
Subject - Psychology.

The class-Room Teaching was totally
Discussion Based.

Students were taking interest in
the discussion.

Teacher ~~at~~ discussed some relevant points
on Motivational Teaching. Some questions
were put up by the teacher that how to create
healthy environment for the teaching and learning
How to maintain balance between the
bright // average and weak students.
How to organise class behaviour.

It was an interactive class.

Teacher was well prepared for his
lecture and lessons.
