23. What is the process of planning the CSSTE for;

- **SCERT:** *Planning in SCERT is done in workshop mode, in accordance to the planning format prescribed by the MHRD. Planning for SCERT, DIETs and IASE is done separately and discussion is held and necessary alterations are made. The plans are then consolidated and finance approval is obtained from the state before submission to the MHRD.*
- **DIET:** *DIETs makes their plan individually for their respective institutions and is submitted to SCERT. Necessary alterations are made before finalising*
- **IASE:** *IASE makes their own plan in accordance to the planning format and is submitted to SCERT for consolidation*
- **CTE:**

24. What are the issues in planning process.

- *At the time when planning process is initiated, UDISE data is usually not finalized and updated, which delay finalization of the plan.*
- *Since the size and population of the Districts are diverse, need assesment sometimes delay and create problems in planning process.*
